Multi Tooth Autofill Options

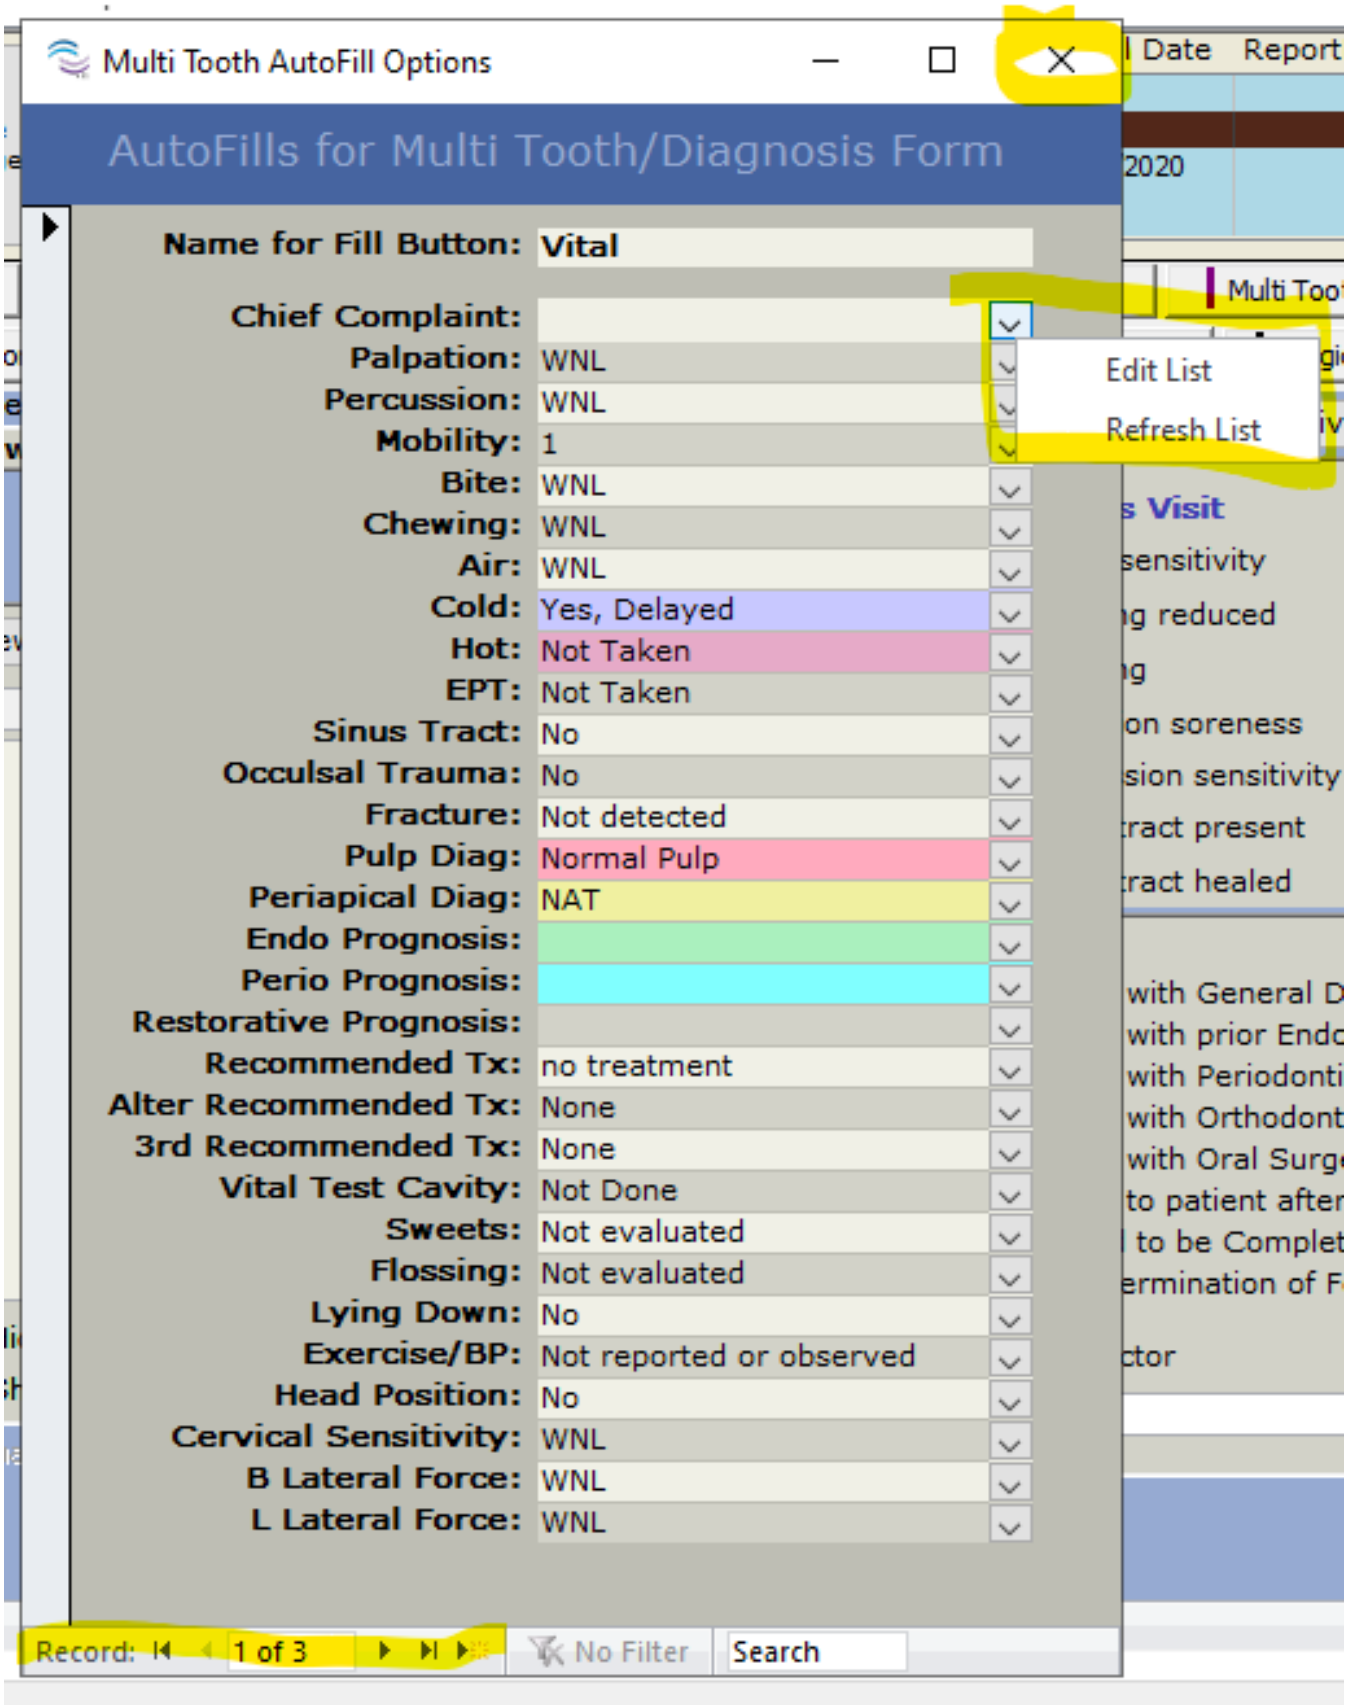

106 TDO KB October 26, 2023 TDO software 6.12K

Overview

There are an unlimited number of user specified auto fills available on the Multi Tooth form.

Detailed Instructions

Program Setup on the top menu bar and then select **Multi Tooth> Autofill Options.**

For each item, enter a name as well as the results you would like entered for each of the tests listed.

To move between auto fills use the ‘forward’ and ‘back’ record buttons on the bottom of the form.

You may change the choices available in any of the lists by right clicking and selecting **Edit List.**

When you are finished filling out this form, click the **Close** button.

You can come back to this form and change any of these buttons at any time.

Reference

For more information on how to use these auto fills see the Multi Tooth Testing overview
