Printing Signed Policy and Consent Forms

117 TDO KB February 25, 2026 Front Desk Tools 7.63K

Overview

If you would like to print a signed copy of a consent form, follow these steps:

Detailed Instructions

- Navigate to the proper patient's record in TDO
- At the top of the program, click on **Main Data** and select **Review Policy/Consent Signatures**
- Click on the print button in the lower right corner.
- Flip to the next consent form by using the arrows at the bottom of the page.
