

Storing Important Software Information in TDO

208 [TDO KB](#) October 26, 2021 [Program Setup](#) 4.94K

Overview

TDO has a section where you can store information about your software purchase, for your own records, called "Software Information"

To Open Software Information

To open the form, navigate to **Setup>Site Configuration** on the top menu bar, then select **Software Information**.

This is a great place to keep all information on software you purchase. By keeping the information here you would have all of your registration numbers and contact numbers easily accessible.
