

Storing equipment information in TDO

209 [TDO KB](#) October 18, 2021 [Program Setup](#) 5.52K

Overview

There is a place in the program where you can keep information on the equipment in your office.

It is helpful to have this information handy for times when you need repairs or need to contact the vendor.

Detailed Instructions

TDO Version 12:

To open the equipment form select **Setup> Site Configuration** then select **Equipment Information**

TDO Version 11:

To open the equipment form select **Administrative** then select **Equipment Information**

The screenshot shows a software window titled "Equipment Information". The window has a blue header bar with the title "Equipment Information". Below the header is a table with the following columns: Item, Manufacturer, Purchased From, Date, Amt Paid, Phone#, and Warranty#. The table contains one row with the following data: Item: test, Manufacturer: tetst, Purchased From: (empty), Date: (empty), Amt Paid: \$0.00, Phone#: (empty), and Warranty#: (empty). Below the table is a large grey area. At the bottom of the window is a status bar with the text "Record: 1 of 1", "No Filter", and a search box.
