

Recall Autonotes Options

228 [TDO KB](#) October 30, 2023 [Program Setup](#), [TDO software](#) 5.92K

Overview

TDO allows you to quickly enter a summary of your recall exam on the patient's recall page by using an autonote.

Using autonotes/ macronotes allows you to enter a complete, predefined note, with a single click.

Detailed Instructions

You can create these autonotes by clicking **Program Setup** on the top menu bar and then selecting **Recall – Autonote Options**.
