Video - Draw Page - Pre/ Post Operatory (op) image previews

403 TDO KB February 24, 2026 Draw, New User resources 25.22K

Overview

TDO allows you to quickly bring up a pop-up draw window when you double-click either the pre or post operatory thumbnail images next to the patients' name.

NOTE: The video below was taken using TDO v11. If you are using TDO v12, please note that some of the appearances may seem outdated. The directions and usage, however, is still the same.
