

Deleting an Appointment

47 [TDO KB](#) November 26, 2025 [Calendar](#), [New User resources](#) 7.06K

Overview

How to delete an appointment

Detailed Instructions

Select the appointment by clicking on the appointment once.

Right click on it and click “Delete.”

Click “OK” to confirm or click “Cancel” to cancel the delete.

Note: Deleted appointments cannot be recovered. You can choose other options and hide from calendar view or change operator to an unused operator.
