

Version 12 - How to Take Sequential Radiographs

575 [TDO KB](#) November 20, 2025 [Acquire](#), [Acquire](#), [Radiography](#) 7.37K

Overview

The video below provides instruction on how to take sequential radiographs in the Acquire Window.

NOTE: The video was taken using an XDR radiograph. Depending on the type of X-ray sensor you are using, the interface that comes up on your TDO may differ from what's shown in the video.
