

Modifying a Letter Template

59 [TDO KB](#) November 25, 2025 [New User resources](#) 8.62K

Overview

How to edit a Letter template

Detailed Instructions

1. Click the **“Letters”** tab on the patient’s screen.
2. Click the **“Template”** tab.
3. Select the **“Template”** in the drop down box that you wish to modify.
4. If the template is **“Fixed”**, click the **“Save As”** button.
5. Name your new template.
6. If the template is not fixed, you can make your changes without the Save As step.
7. Click **“Test”** to check changes and merge fields.
8. Click **“Test Reset.”**
9. Click **“Save”** to save your changes.
