Version 12 - My TDO on this Workstation

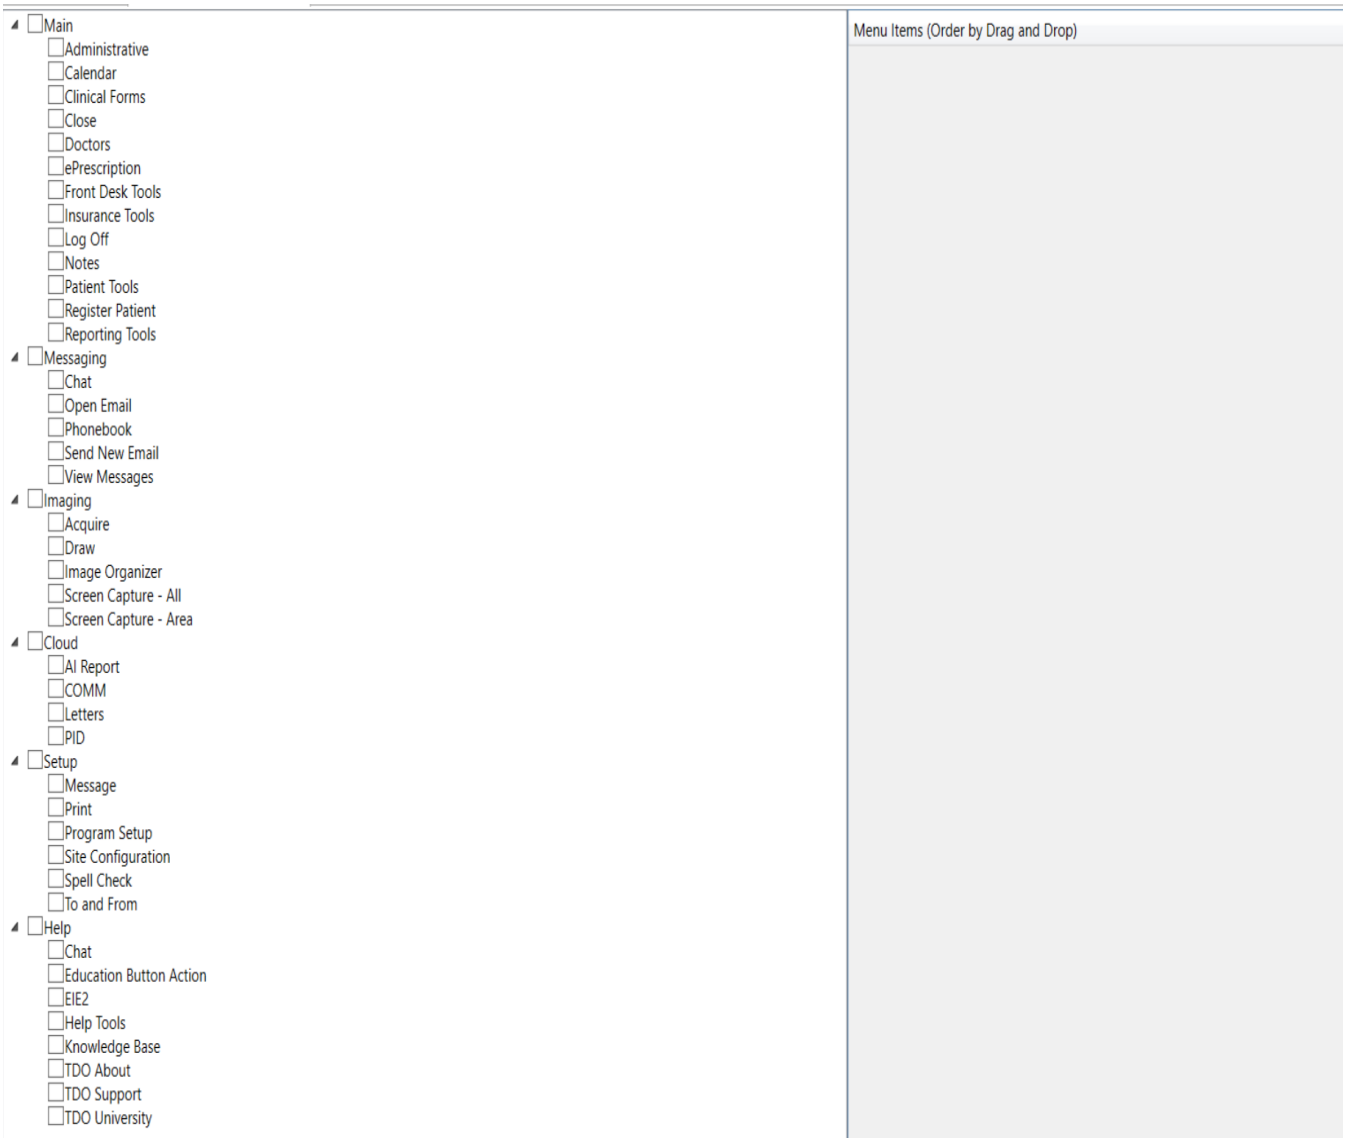

609 TDO KB October 7, 2025 Site Configuration 8.18K

Overview

You can customize the Main TDO Ribbon to have your most widely used icons available for immediate display. This is a workstation setting.

Detailed Instructions

Setup > Site Configuration > Add/Edit User Names and Passwords > My TDO on this Workstation. Choose what menu item you would like to see under My TDO. Close and run a TDO Autofix. Relaunch TDO, and you will see your changes. The changes will be visible to all users who use that computer.
