How to make the Pre-Op and Post-Op image popups always on top

797 TDO KB October 2, 2023 Organizer, Organizer 5.41K

Overview

In order to show the Draw Page Popup window to show images, please follow the steps below.

Note:

This feature was implemented in 12.303.

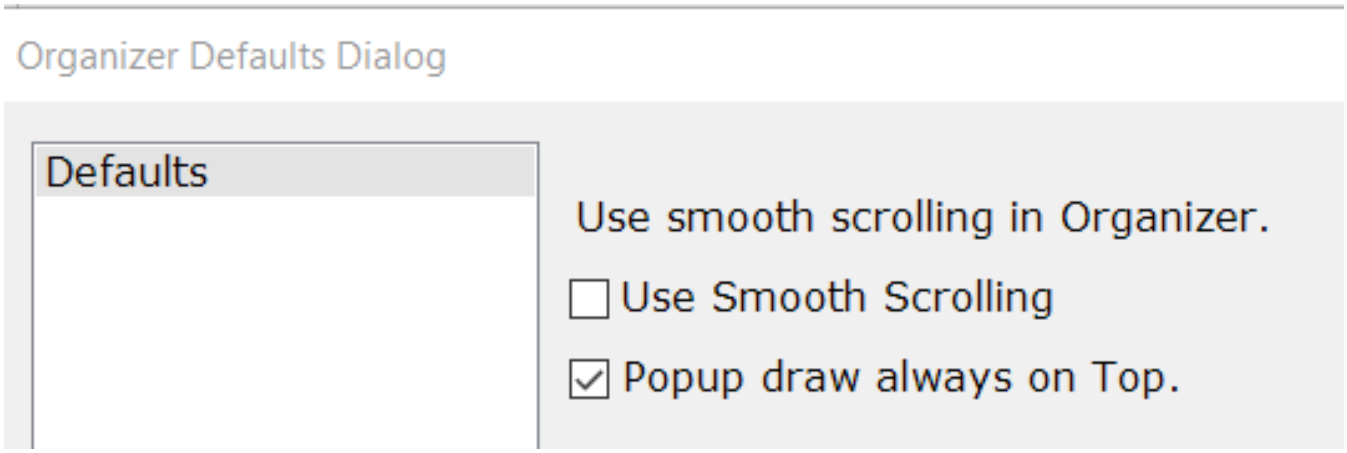

Detailed Steps

Open Image Organizer.

Click on ”Show Defaults Dialog” button.

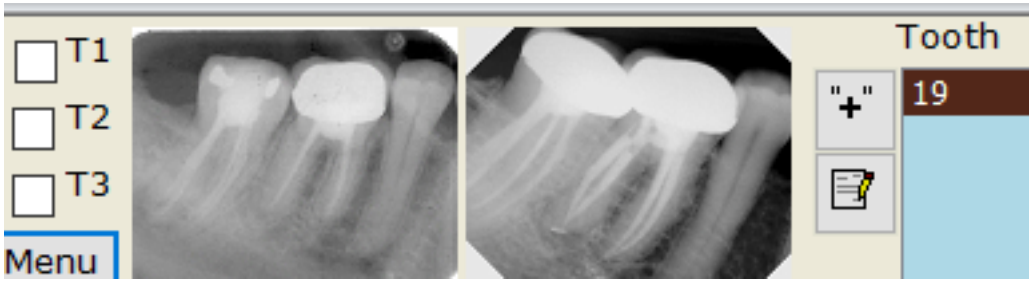

On Organizer Defaults Dialog window, check the “Popup draw always on Top” box.

Click OK.

Double click on one of the images on the main page, and the popup draw will open on top.
