

How to make the Pre-Op and Post-Op image popups always on top

797 [TDO KB](#) October 2, 2023 [Organizer](#), [Organizer](#) 5.12K

Overview

In order to show the Draw Page Popup window to show images, please follow the steps below.

Note:

This feature was implemented in 12.303.

Detailed Steps

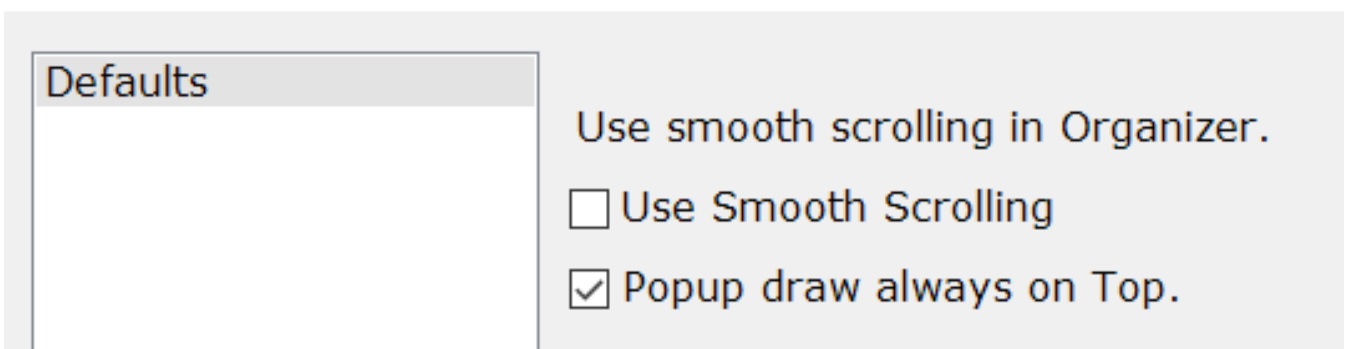

Open Image Organizer.

Click on "Show Defaults Dialog" button.

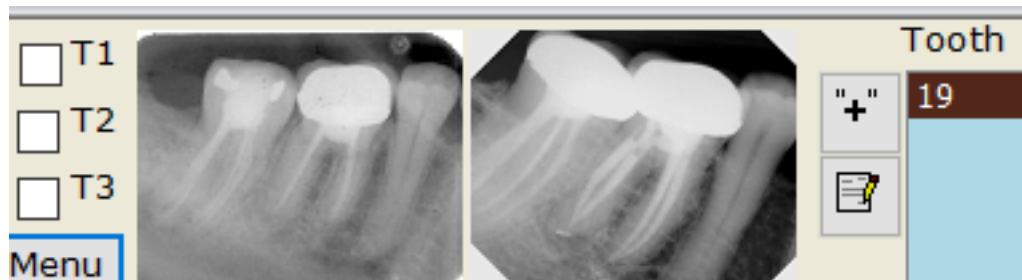

On Organizer Defaults Dialog window, check the "Popup draw always on Top" box.

Organizer Defaults Dialog

Click OK.

Double click on one of the images on the main page, and the popup draw will open on top.
