Overview

TDO allows referring doctors to be linked to a specific practice. This can be helpful if you have multiple referring doctors belonging to the same practice.

Detailed Instructions

Click on Doctors > Referring Doctors.

The screenshot shows the TDO software interface with the 'Referring Doctors' window open. The 'Doctor Info' tab is selected, displaying various fields for doctor information. The 'Practices' tab is also visible on the right side of the window.

Click on the Practices Tab at the top right, then click Add.

The screenshot shows the TDO software interface with the 'Referring Doctors' window open. The 'Practices' tab is selected, displaying a table for adding practice details. The 'Add' button is visible at the bottom right of the table.

Enter the Practice details on the Referring Practice window.

Click the arrow with the asterisk (bottom left) to add additional practices.
