

eRx (MDToolbox) - Reprint a Prescription

896 [TDOKB1](#) November 18, 2025 [Electronic Prescribing \(eRX\)](#) 15.19K

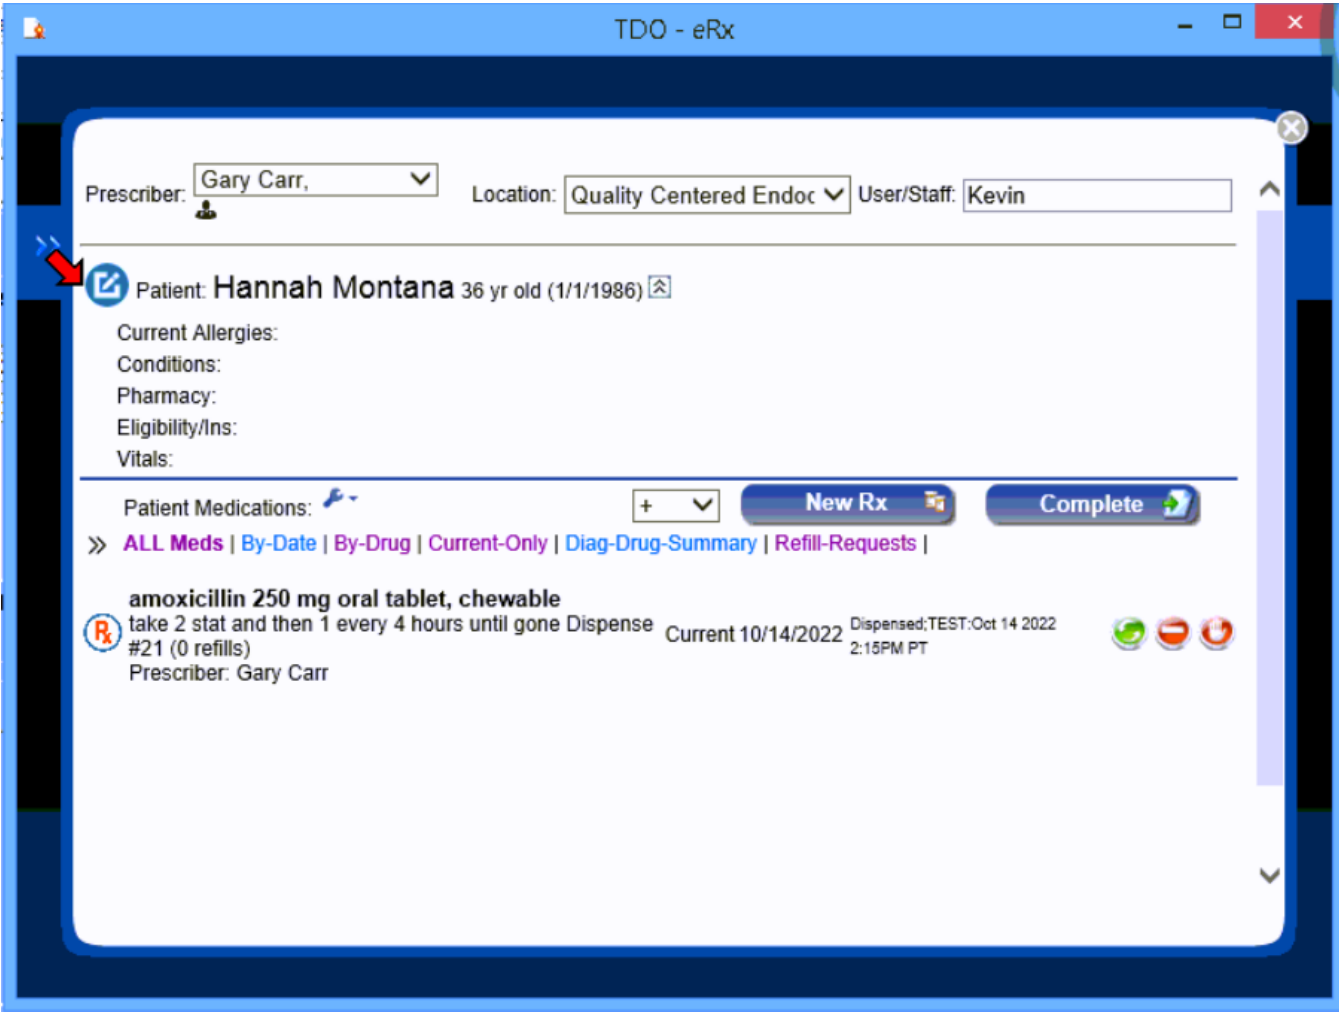

Overview

MdToolbox allows you to reprint historical prescriptions through its module.

Detailed Instructions

Open the eRx Module on the desired patient.

Select the icon

Then select Print/Export.

 Patient: Hannah

Current Allergies:
Conditions:
Pharmacy:
